Emergency Response Plan Family/Victim Support

- The Crisis Humanitarian Action Plan (Appendix 1)
- Cognizance falls under MCCS & Family Readiness Support Officer
- Decision to open Family Assistance Center rests with CG to provide better assistance, communication, emotional support, resources such as Red Cross, Key Volunteers, etc.

Emergency Response Plan
RMT's Role

- Set up CISD Teams, provide counseling, designate RMT support for various shelters,
- Liaison with local civilian local churches for needed religious services or ministry
- Work with Family Readiness Support Officer to ensure KV's/FMF units trained and aware of family support systems on/off base
- 3rd Marine Regiment store KVN equipment at chapel should they deploy and vacate spaces.

MAJOR DEPLOYMENT

- During Desert Shield/Storm, all Operational and Base RMT's deployed and Reserve RMT's filled the void.
- In this scenario, a "workable plan" must be extremely general in nature, and would be difficult to test through an exercise w/out input and specific training of reserves.
